Handmade in Britain – The Contemporary Craft and Design Fair

Friday 9 – Sunday 11 November 2018

Chelsea Old Town Hall, London

Welcome to the twelfth edition of Handmade in Britain – the annual contemporary craft and design fair at the beautiful Chelsea Old Town Hall. The show will take place from **Friday 9 – Sunday 11 November 2018**. Over three days, the event will celebrate the best in high-end design and craftsmanship from **over 100 highly skilled, UK-based designer-makers**.

The fair is a fabulous opportunity to shop for gorgeous **textiles, ceramics, glass** and more from a handpicked selection of designer-makers, with a particularly strong selection of **high-end jewellery**. All makers will be on hand throughout the weekend to talk about their work and showcase their collections.

Handmade in Britain is delighted to be collaborating with [Arts Thread](#) to present some of the most exciting **emerging talents** in the industry. They will present their work alongside more established makers, giving visitors the chance to shop from brand new designers not seen at the show previously.

[Handmade in Britain](#) was established over a decade ago by engineer-turned-designer Piyush Suri, advocate of everything handmade. After working for a few years in the industry, he single-handedly built his initiative to support and promote British designer-makers. Throughout its existence Handmade in Britain has provided a platform to support and promote design and craft talent through fairs, events and pop-ups. Workshops and business mentoring are also key to Handmade in Britain's mission to support the designer-maker communities. As a company we work hard to increase accessibility, create new market opportunities and maintain high standards in the contemporary craft sector, whilst providing a comprehensive support programme for new graduates and up-and-coming design talent. We continue to grow and expand, increasing opportunities for our members and raising our profile within the sector and beyond.
